

The Hydrology of Transfers

Component
École Nationale
Supérieure
d'Électrotechnique
d'Électronique

In brief

- > **Ametys Code:** N9EM09D
- > **Open to exchange students:** No

Presentation

Description

Course outline :

- Flow in porous media
- Single-phase
- Multiphase flows
- Mass transfer in porous media
- Local equilibrium approaches
- Non-local equilibrium approaches
- Project

Pre-requisites

None
